Non-Local Primary School Placement Information for Parents

Please read carefully before completing this form.

Parents may apply for non-local enrolment of their child to attend Matthew Pearce Public School. Consideration of such applications will be made taking into account available places and the reasons identified for such an enrolment to occur.

The criteria for selecting amongst non-local enrolment applications may include (but not limited to) such factors as:

- student wellbeing needs
- medical reasons
- safety and supervision of the student before and after school
- compassionate circumstances.

Each non-local enrolment application will be treated on merit, on the depth of reason and the strength of argument placed before our non-local enrolment committee.

The number of students a school may enrol is limited to the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. Each school has an enrolment cap based on permanent accommodation. Within the enrolment cap, a buffer has been allocated to accommodate local students arriving throughout the year. Places in the buffer are not to be offered to non-local students. Where spare accommodation exists, non-local placements must not generate demand for extra staff or create disruption to school routine.

To avoid disappointment, parents should check that there are places available in a school before applying.

Parents can appeal against decisions regarding non-local placement by writing to the Director, Educational Leadership.
